The Voters' List is the list of all individuals eligible to vote in the 2018 Municipal Elections. It identifies electors by name, address, school support, and residence status.

Electors should examine the list to ensure that their name and relevant information is correct. Electors must also ensure the Municipality has their correct date of birth.

MUNICIPAL LAW ENFORCEMENT

By-law No. 2011-082 prohibits the operation of vehicles on municipally owned property intended for park use. ATV's, UTV's, side-by-sides, and dirt bikes are not permitted to use parkland or pathways to parks as a throughway to the trails or municipal roads. Parks and pathways are intended for pedestrian use only.

Municipal roads, including sidewalks south of Highway 401, are off limits to off road vehicles (ORV) such as ATV's, UTV's, and side-by-sides. Operators must transport ORV's on a truck or trailer to access the trail system. Operators may be subject to a fine if observed operating one of these vehicles in a park, pathway, municipal road, or sidewalk.

FIRE AND RESCUE

ALARMED FOR LIFE!

Starting this September, Fire Fighters from South Stormont Fire and Rescue will be conducting a door to door smoke and carbon monoxide (CO) alarm campaign called "Alarmed for Life". If a Fire Fighter knocks on your door, please take a few minutes to answer some simple questions about smoke and CO alarms in your home. We will also answer any questions you have about smoke and CO alarms, and general fire safety. During this program, no fines or charges will be issued.

A few key points to remember when it comes to smoke and CO alarms:

- Smoke alarms are required on every level and outside of every bedroom
- CO alarms are ONLY required outside of sleeping areas
- Smoke and CO alarms have expiry dates. Please check and ensure they are replaced accordingly
- Test your alarms at least once a month to ensure they are working
- Replace batteries in your alarms at least once a year

If you have any fire safety concerns, or questions about smoke or CO alarms, you can contact the Fire Prevention Officer at 613-534-8889.
