##### **WINTER MAINTENANCE INFORMATION**

Your assistance during the winter season will help the Township of South Stormont Public Works Department provide efficient and effective winter maintenance. Your cooperation with snow removal is very much appreciated.

- Trucks with flashing blue lights are performing winter maintenance. Please give them room to work and pass with caution as visibility may be compromised with blowing snow.
- Park your vehicle in your driveway, well off the road, until street and sidewalk cleaning operations are complete. This allows our crews to do their job and make the streets and sidewalks safe for everyone.
- Current policy states that the Public Works Department will only replace a mailbox if the post, or box has a direct hit from the Township's snowplow. Avoid installing mailboxes where they can be damaged by plowing operations. Canada Post can provide guidelines concerning the proper distances from road surfaces.

##### **MUNICIPAL LAW ENFORCEMENT**

**THE TOWNSHIP OF SOUTH STORMONT WINTER PARKING BAN** is in effect from November 1 to April 1 the following year. No vehicle is permitted to park on the roads between the hours of 12:00 AM to 7:00 AM. You may receive a ticket or your vehicle may be towed if found to be in violation.

##### **FIRE & RESCUE**

###### **CARBON MONOXIDE**

Carbon Monoxide (CO) is a highly poisonous gas that is colourless and odourless and if it goes undetected, can cause serious illness including death. If your home has a fuel-burning appliance or an attached garage, install a carbon monoxide alarm adjacent to each sleeping area. For added protection, install a carbon monoxide alarm on every storey of the home according to manufacturer's instructions. Test your CO alarm at least once a month and regularly change the batteries.
